

ILLINOIS ASSOCIATION OF GROUNDWATER PROFESSIONALS

The **Illinois Association of Groundwater Professionals** is dedicated to the protection and efficient utilization of groundwater, providing programs that support industry professionalism and providing consumer information about water wells and groundwater. The association represents water well drillers, pump installers, geothermal loop contractors, technical drillers, water quality, water treatment professionals, Scientists, Engineers, and Manufacturers and Suppliers to protect our valuable water resource. We are committed to offering quality educational programs, advocacy programs, legislative initiatives, and public relations efforts to continue our mission throughout Illinois on behalf of our members.
